Veterans Association  
2013 - 2014

Titulaire d'un Visa Long Séjour

## PROFESSIONAL EXPERIENCE

### OECD: Organisation for Economic Co-operation and Development 2025 - Present

Policy Intern, Digital Government Unit

- Analysing AI adoption in the public sector by synthesising global use cases, policies, and frameworks to inform evidence-based recommendations
- Interpreting international government survey data to identify best practices and emerging trends in the digital transformation of government

### Career Break 2023 - 2025

Doctoral Candidate & Immersives Experiences

- Pursued completion of my dissertation since 2023 by researching and examining the global phenomenon of digital transformation in government and its contributing factors
- Undertook impromptu adventures in order to become a better global citizen, to live outside of my comfort zone, and to challenge my perspectives

### Booz Allen Hamilton 2021 - 2023

Senior Consultant: Government Experience & Technology Transfer

- Collaboratively stood up the newly established Advanced Research Projects Agency for Health (ARPA-H) in a way that embraces a problem-centric, solution-agnostic mindset
- Conceptualized intersections of human-centered design and lean innovation for healthcare technology innovations to "survive in the wild" through desirability, viability, and feasibility
- Researched experiences with the U.S. Veterans Administration, applied qualitative analysis, and communicated findings with tools such as User Journey Maps

## EDUCATION

### Doctor in Organisational Leadership (EdD) 2021 - 2026

Pepperdine University - USA

### Master in Business Administration (MBA) 2016 - 2018
